TESTIMONIALS Cont'd

"I have found Heather and the team at Tudor School Uniforms to be one of the easiest suppliers to deal with. They accommodate for anything that pops up unexpectedly and their customer service is always prompt, pleasant and personable. Tudor School Uniforms supply us with excellent quality garments at very competitive prices and I would recommend them for all school uniform requirements." Lee-Ann Fisher, Darling Heights State School

"Tudor came through for us after numerous faults and errors from several overseas-made suppliers. Being Australian-made meant that the uniforms could be delivered quickly. The product we receive is always consistent and high quality. 100% Australian made uniforms are worth the extra cost for us because the quality of the fabric and the colour consistency are always reliable." Leah Woodward, Treasurer, Chapel Hill SS P&C

"I just wanted to comment on what a relief it was to find Tudor and how happy our P&C is to have them on board as our polo and dress supplier. Their customer service is on point every time and they deliver on their word. If we are told 'X' date for delivery it is there on time if not earlier. The quality of the material and the stitchwork is great and their prices are surprisingly comparable considering it's all made onshore. A big thank you to Heather and your amazing team at Tudor." Kristy, Managing Convenor, Amberley District State School P&C
