# AN INTRODUCTION TO TUDOR UNIFORMS

## **We supply 100% Australian made garments supporting many local small businesses**

At Tudor School Uniforms, we understand that Final Year Polos and Commemorative Trip Garments are special uniform items that students cherish. With over 15 years of experience in custom-making these garments and an extensive range of sublimated and panelled polo designs to choose from, along with interesting and innovative Final Year Artwork design options, we can provide your school with a unique garment, designed specifically for your needs.

### **Locally Made Garments**

Tudor Uniforms is a true local supplier with all our garments made here in Brisbane. We make to order with a wide choice of designs and use a variety of fabrics. All garments are individually checked prior to despatch and we pride ourselves on supplying high quality garments. We have available many samples for you to see a garment prior to selecting your design or computer generated images can be emailed for your reference.

We are proud to be a Preferred Supplier of the Queensland Department of Education and Training.

### **Ordering**

There are NO minimum order quantities required for Final Year Polos and Trip Garments, although a surcharge will apply for an order of 10 units or less.

We encourage parents to order more than one shirt with the initial order to avoid surcharges on subsequent small orders.

### **Delivery Times**

6 weeks from when order is placed.

### **Sizing**

Whilst our garments are available in a wide range of sizes, we recommend you utilise our service of receiving a size range of garments for the children to try on. Size specifications are also available on our website.

### **Artwork & Colours**

At Tudor we have a huge range of back artwork to choose from and this artwork can be used across all garments.

Visit our website, [www.tudoruniforms.com.au](http://www.tudoruniforms.com.au) to view our full range of Final Year Artwork designs.

Your school logo can be added to your garment.

Student names are generally added to the back artwork however if a school chooses not to add names, there are some great "Header Only" back artwork designs.

You can also create your own back artwork design which we can incorporate onto your garment at no extra cost.

All artwork is emailed across for your approval prior to production.

### **Service**

We are here to help you achieve a unique Final Year Polo or Trip Garment. Please contact our friendly staff at our office for assistance – we are only too happy to help.

# SUBLIMATED POLO

Sublimated polos are very popular for Final Year shirts. Sublimation is a process that impregnates colour directly into the fabric, creating vibrant and long lasting colours. It allows for more complicated and vibrant designs without panels, and can provide great multi-colour effects.

Our high quality 100% polyester Australian fabric is durable, easy care with a wicking effect, meaning the wearer feels cool on a hot day. With many designs to choose from, we suggest you visit our website to view the full range. Designs below give you some examples but if you want to design your own garment, ask us and we can do that too!

With a quick 6 weeks delivery we require artwork and sizing to be finalised before we can go into production.

# PANELLED POLO

We have a great selection of designs in our panelled polo range.

## Design Your Own Panelled Polo

Our website has a unique function where you can create a polo in your desired colours. Simply:

1. Go to our website, [www.tudoruniforms.com.au](http://www.tudoruniforms.com.au)
2. Click on the 'Polos' button
3. Click on the 'design your own' link to easily create your school's custom polo
4. Email over the design and we will help you with the rest

## Fabrics & Collars

All our panelled polos are available in a variety of high quality fabrics, in over 20 colours (colour cards available), including:

- Polycotton lacoste
- 100% cotton
- 100% breathable polyester hydromesh
- Polycotton rugby
- Cotton backed polyester

A knitted collar looks great on the panelled polo as it allows you to be creative with colours, stripes, letters and shapes, creating a unique garment for your students.

## Artwork on Your Panelled Polo

All our panelled polos can be printed on the front and back in one-colour or two-colour print options.

School logos can be either printed or embroidered on the front of your polo. Simply supply us with your school logo in a suitable format and we'll take care of the rest.

Visit our website, [www.tudoruniforms.com.au](http://www.tudoruniforms.com.au) for our full range of panelled polos. Here are some of our most popular designs:

Oxley Polo with Electric Design

Eyre Polo with Seniors A Design

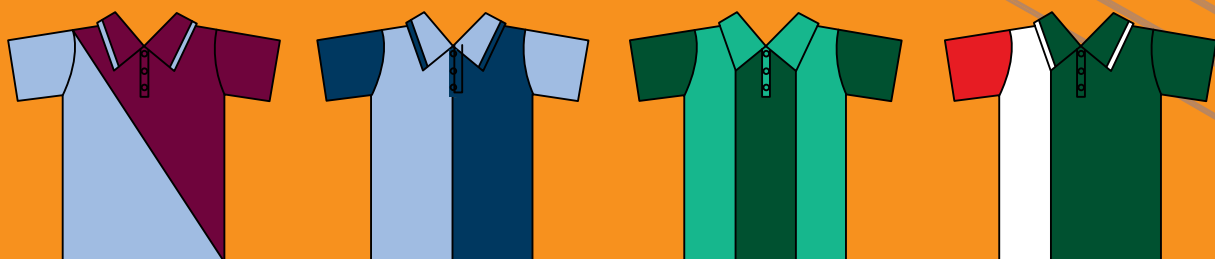

Swirl

Riley

Split Sleeve Side Panel

Kirk

Diagonal

Wills

Mitchell

Flinders

Plain polo with print and sleeve rib

School Created Artwork

## SCHOOL TRIP GARMENTS & PERFORMING ARTS

Making garments here in Australia gives us the ability to supply schools with garments for specific trips or events. We continually receive feedback about the high quality of our garments and we have been working with the same fabric supplier for over 15 years.

Our hoodies and jackets are made from superior polycotton fleecy (2 weights available) and we can add striped ribbed trim to custom make with your school colours.

Our most popular garments are:

-  Traditional panelled or sublimated polo – for Performing Arts
-  Hoodie, Zip Jacket with/without hood for trips to cooler climates

Choose from our artwork to create a unique garment for the students or create your own artwork and we'll reproduce it for you.
